

PRESS RELEASE

VF3i 185 NOW WITH NEW EXOTIC APPEARANCE

PENANG, 10 OCTOBER 2020 – After received an overwhelming response during the launch of VF3i 185 LE on May, MForce Bike Holdings Sdn. Bhd. releases the latest edition of the VF3i 185 Pro or V3 which has three new colours, red, blue, and gold.

Operation General Manager of MForce Bike Holdings Sdn. Bhd., Encik Asri Ahmad said, the new edition VF3i 185 Pro was released on market demand while maintaining the great features such as the 183cc 4-stroke engine with liquid-cooled besides able to achieve the performance 19.7hp at 9,000 rpm and 17.4Nm of torque at 7,500 rpm. Anti-lock brake system (ABS) remains in this edition for maximum safety. Besides, VF3i 185 Pro has the largest fuel tank in the super-moped category which is, 7-liter for a longer journey. It also comes with fuel injection engine and matched to six-speed transmission.

A bright DRL light appearance and speedometer with a new stylish design are included in this Pro edition. It also passes the Euro standard and with a seat height of 790 millimetres for the convenience of riders.

The latest model is offered at an affordable price for RM9,338.00 excluding insurance and road tax. VF3i 185 Pro will be available at SYM distributor premises throughout Malaysia from 15 October 2020 onwards.

Owner of VF3i 185 Pro or V3 can also enjoy a two-years manufacturer warranty or travel distance 20,000 km (whichever comes first) and online spare parts purchase service by MForce Bike Holdings Sdn. Bhd.
